

Breeding conditions in 2017

On Stable Everse the following breeding conditions apply:

- Breeding season is until September 1st, 2017.
- Sperm can be ordered daily until 9:00 pm, we prefer one day in advance
Orders through SMS phone number 0653-241784 .
- For shipping KI by transport ex VAT will be charged .
- Veterinary supervision by veterinarians from Utrecht University
Tel 00 3130 253 11 88 .
- Possibility to bring your mare for insemination at the University of Utrecht.
- To proceed, first fill in a copy of the registration form. Then return, using Email
info@staleverse.nl showing the choice of the stallion. Form can be found on
this page
You will then receive an invoice from us for 350,--. After payment, semen
can be sent or the mare can be offered at the clinic .
- Payments please before first insemination.
- No straws will be sold, we only do transfers . When the mare is pregnant,
freezer should be sent back.
- •Gust statement of the vet has to be sent to us before October 1st, 2016 by e
- mail or fax. Only then the stud fee will remain only the € 350.00.
- October 1st, we will send the bill for the remaining fee of € 1.150,00.
